## USE 40 BARRELS OF WINE TO EXTINGUISH BLAZE

Carlisle, Pa., Sept. 1.—Forty barrels of fine elderberry wine proved to be the only effective fire extinguisher early yesterday morning when a blaze on the farm of Gilbert Beem destroyed a barn and outbuildings valued at \$10,000. Water was poured on the burning buildings to no avail. Although a bucket brigade worked strenuously for six hours, the flames started to ignite a hand some lodge on the farm, but the water on the premises had run out. The thoughtful tenant remembered a large quantity of wine stored in the cellar. Soon the bucket brigade was transferring elderberry wine to the burning roof until the forty barrels were exhausted.

## TWO MASKED MEN LOOT UNION PACIFIC TRAIN

Salt Lake City, Sept. 1.—The Los Angeles Limited, of the Union Pacific system, was held up by two masked and armed robbers shortly after 2 o'clock this afternoon near Clearfield, nine miles south of Ogden.

All the male passengers were robbed. The train was stopped by an automatic block signal. The two robbers boarded the train and while one gathered loot in the observation car the other proceeded to the other cars. The exact amount taken is not known. Nearing the outskirts of Salt Lake City the robbers pulled the signal cord and escaped in the northern part of the city.

One passenger in the observation car rather than hold up his hands jumped from the train. As he was fleeing one of the bandits shot at him. Women and children on the train were not molested.

One passenger scribbled and threw from a window a notification that the train had been held up. A railroad employee picked up the note and tele-

phoned to headquarters. A posse was immediately organized, but when it reached the incoming train the robbers had departed.

## LETTER IS DELIVERED AFTER 12-YEAR DELAY

Sebring, Ohio, Sept. 1.—Mrs. W. F. Pool, of this place, and a former resident of Eldersville, Washington county, Pennsylvania, received a letter several days ago that had been mailed to her twelve years ago by her mother, Mrs. Catherine Magee, who is now dead. Mrs. Pool stated that her mother has been dead for two years and that the letter had been written ten years before.

The letter was dated February 7, 1909, and was mailed from Hanlin Station, near Eldersville, Pa., being addressed to Mrs. Pool, in Chester, W. Va., where she was then living. The letter passed through the Steubenville postoffice to Chester, where it was stamped again. The missive evidently fell into a crack in the mail boxes, out of sight, for a note written on it by the Chester postmaster says: "Found this in moving the office to the new building."

Due to the presence of State troops, sent here by Governor Morrow as a precautionary measure, the trial was uneventful. Bailey yesterday was ordered taken to Danville for safe keeping pending the outcome of a motion for a new trial.
